### **Definitions**

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

The data and information provided in this fact sheet only includes online students who reported to the University that they lived in California at any time during the 2016 or 2017 calendar years, with the exception of the information provided in the Student Loan Information and Federal Student Loan Debt sections.

## **STUDENT'S RIGHT TO CANCEL**

To cancel your enrollment, you must contact your Enrollment Services Advisor prior to attending in week 4 of your first course. You have the right to cancel the Enrollment Agreement and obtain a full refund of charges through attendance in week 3 (day 21 of the first course). Cancellation is effective on the date that the written notice of cancellation is sent. Students who cancel enrollment will be allowed one more period of conditional admission at Ashford University. Individuals who cancel their enrollment two times while in conditional standing may re-apply to Ashford University no earlier than six months from their last date of attendance.

The data and information provided in this fact sheet only includes online students who reported to the University that they lived in California at any time during the 2016 or 2017 calendar years, with the exception of the information provided in the Student Loan Information and Federal Student Loan Debt sections.
